

Custom Luxury Urns

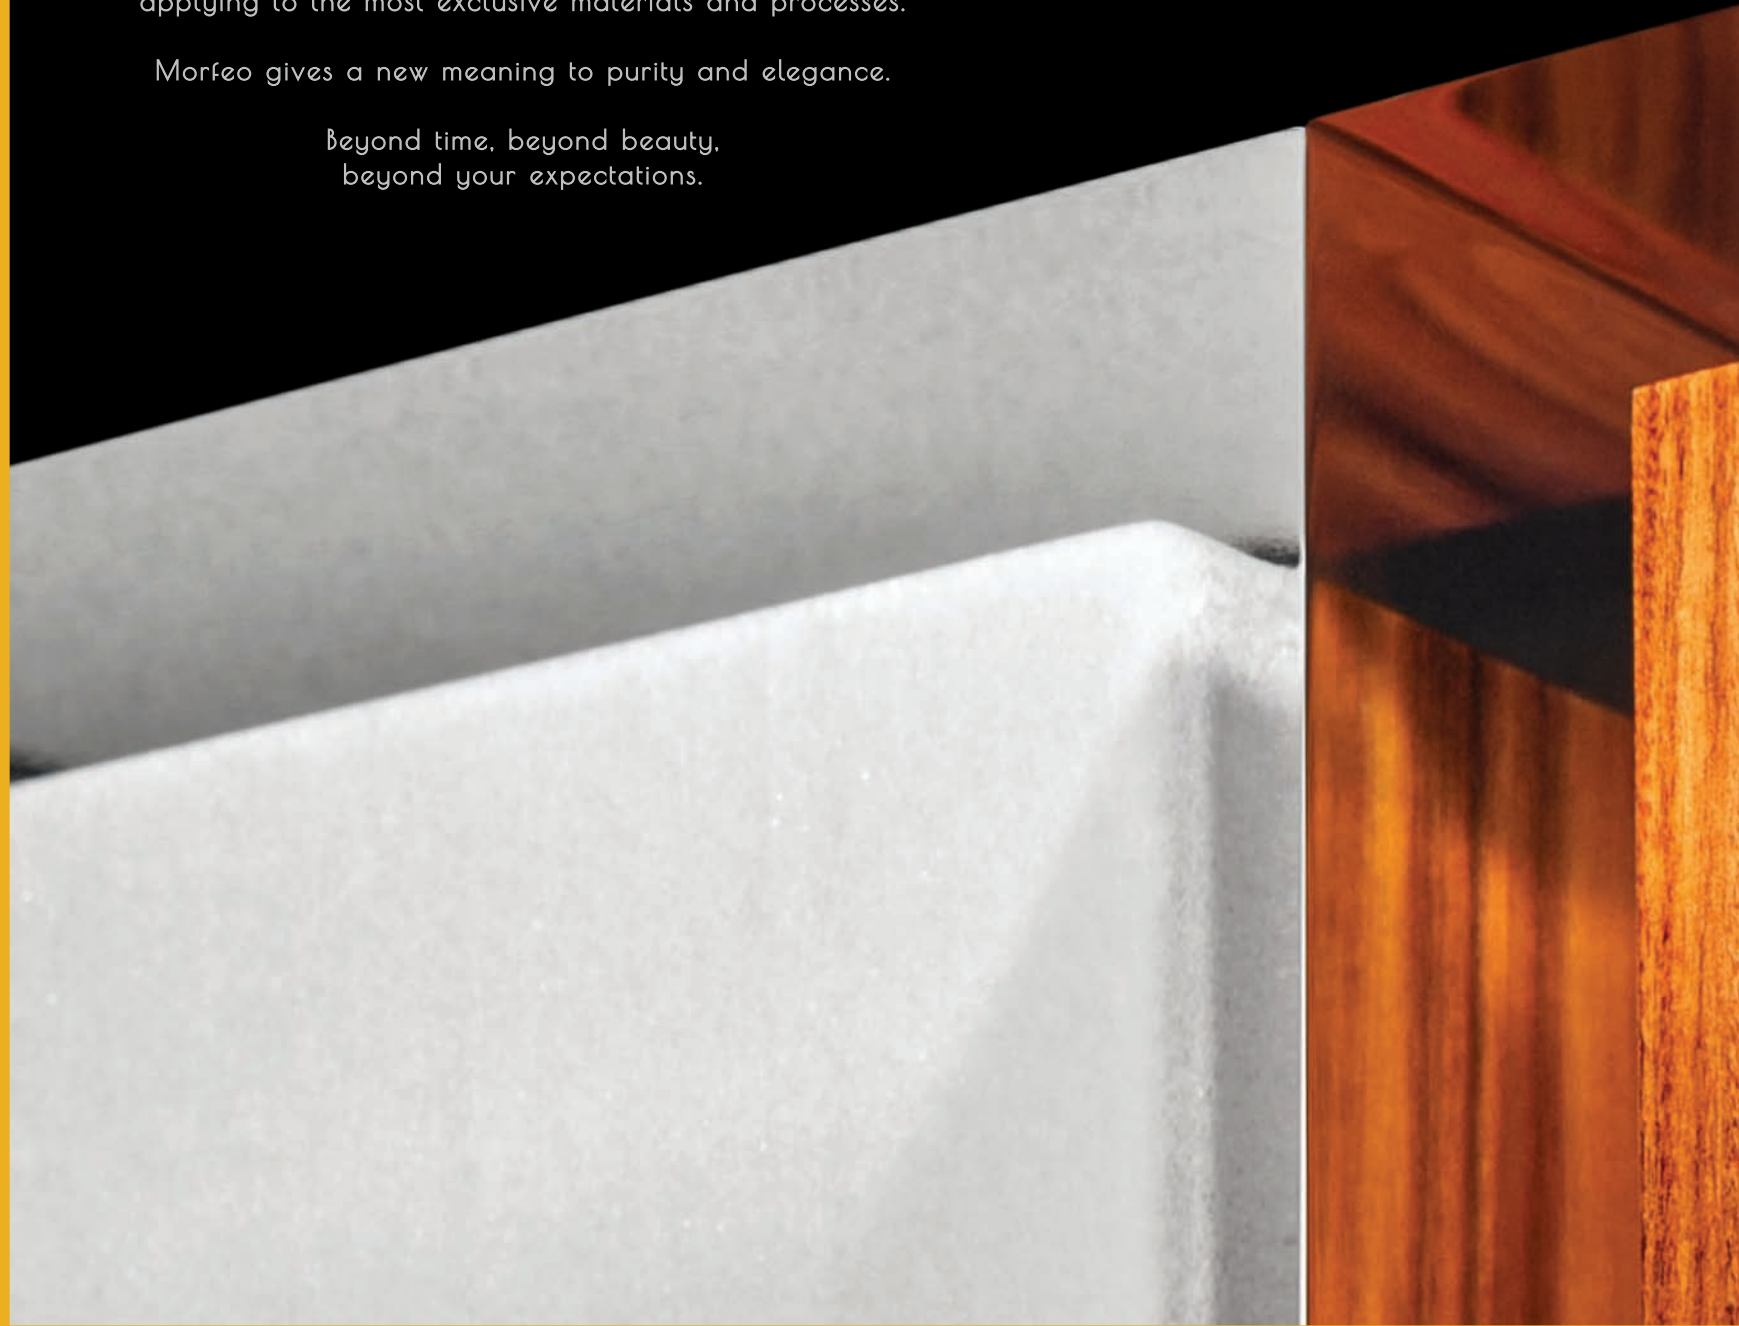

UNIQUE, ETERNAL, YOURS

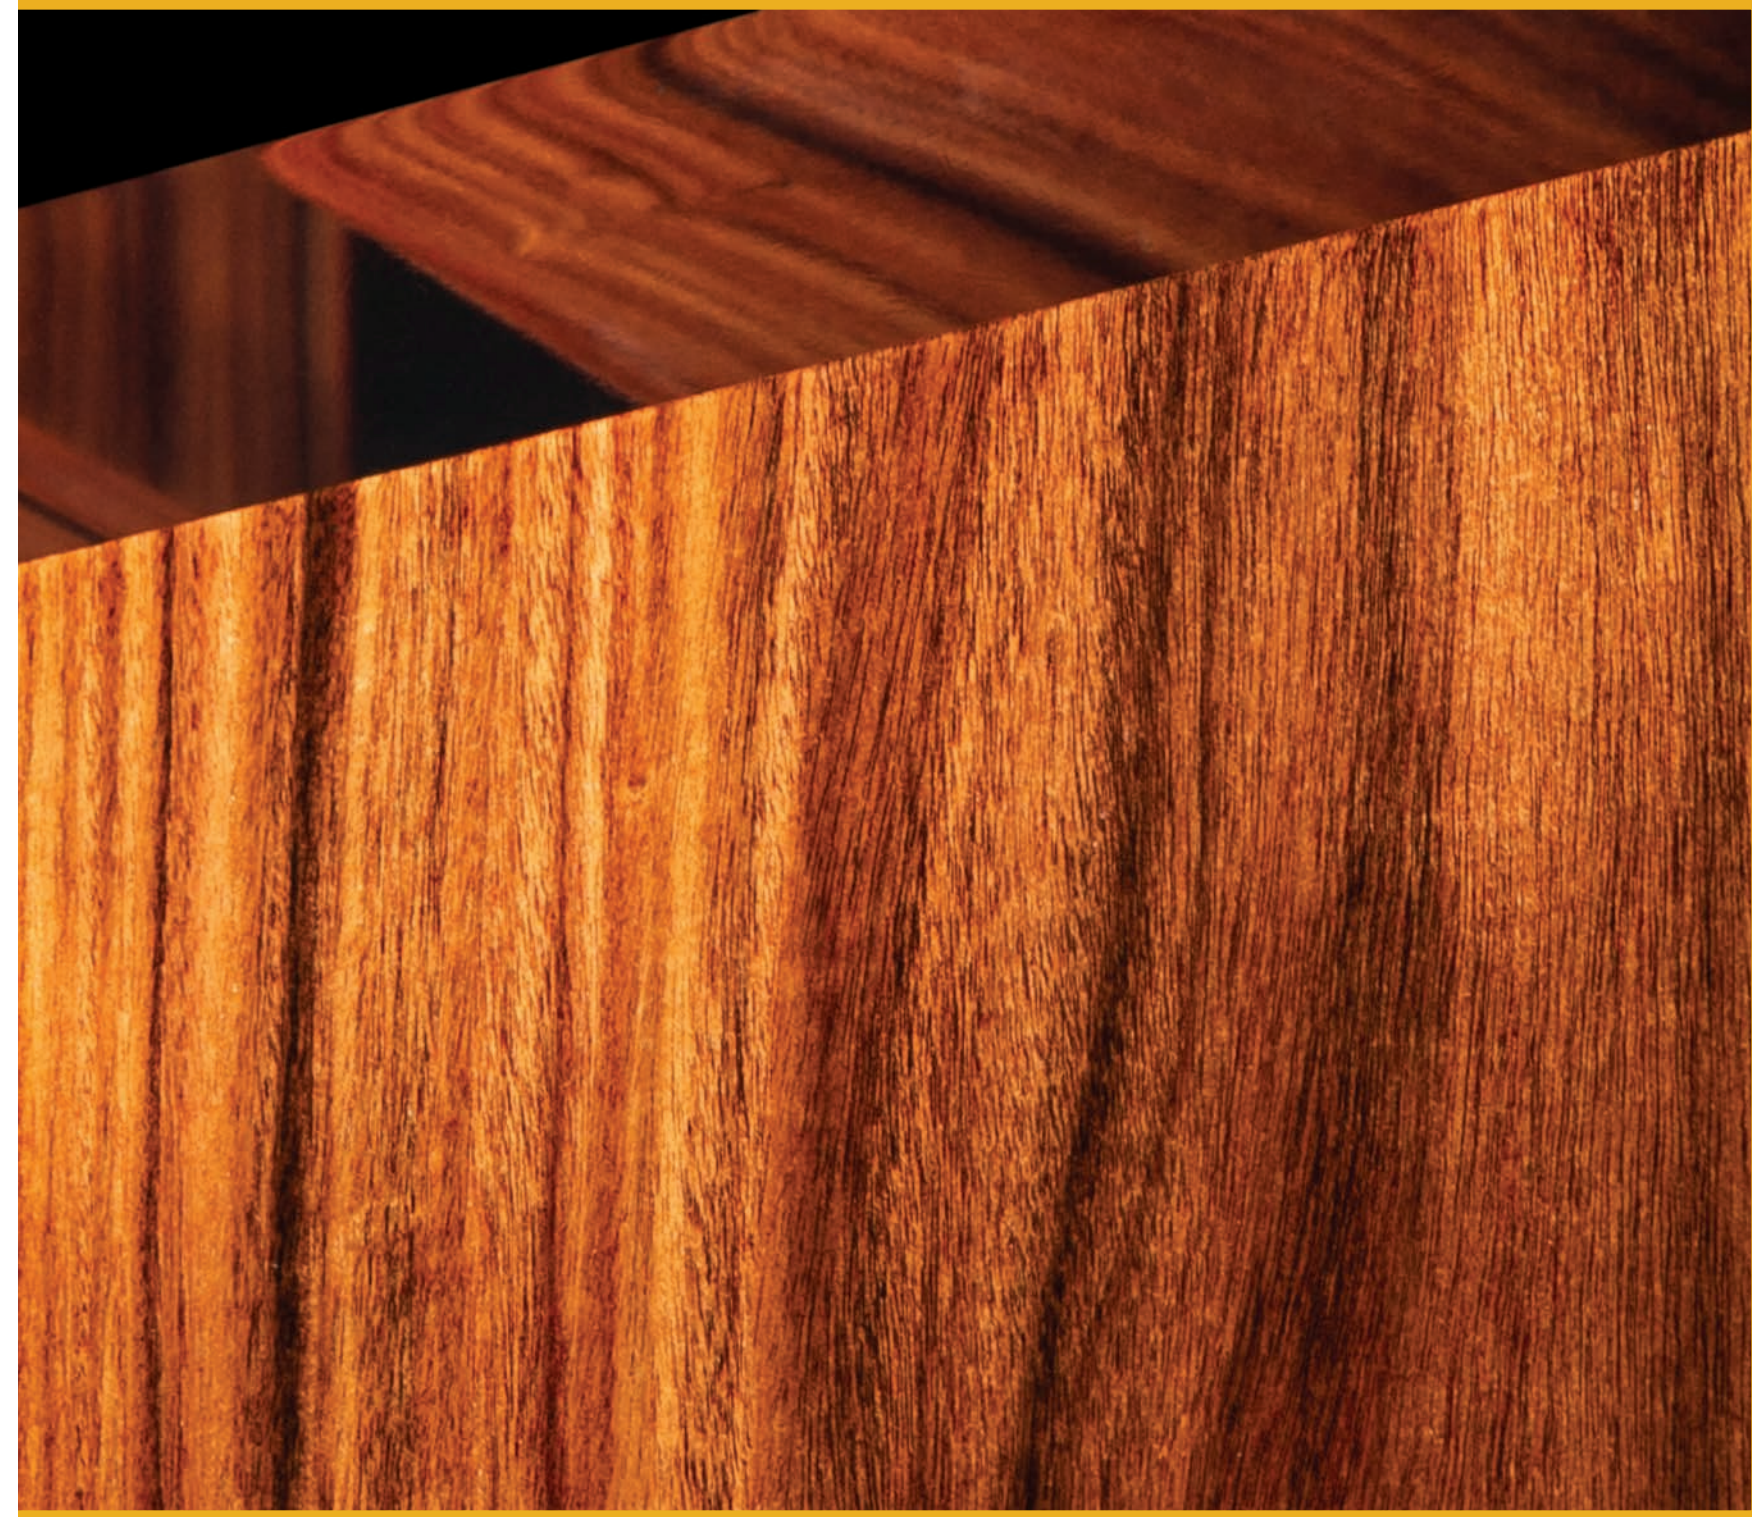

Made in Italy

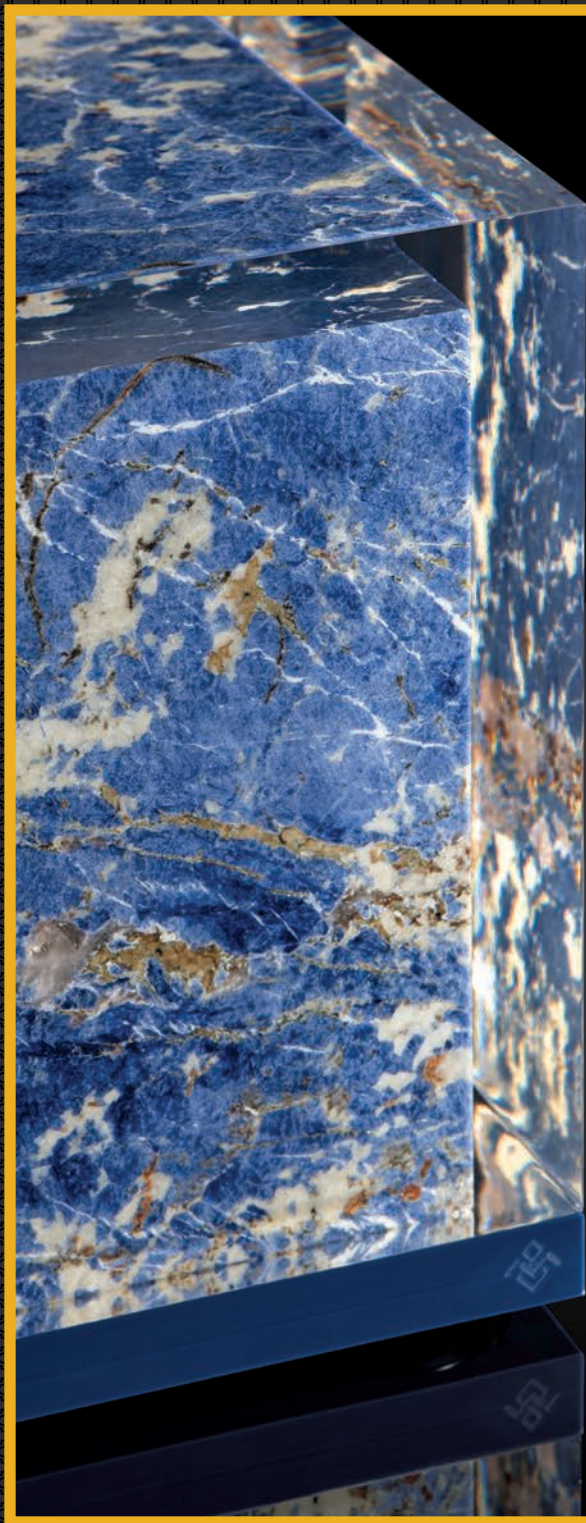

Imagined, designed and made in Italy,
Morfeo redefines the concept of luxury
applying to the most *exclusive* materials and processes.

Morfeo gives a new meaning to purity and elegance.

Beyond time, beyond beauty,
beyond your *expectations*.

We are glad to introduce
our first exclusive model
of Cremation Urn.

Millenia

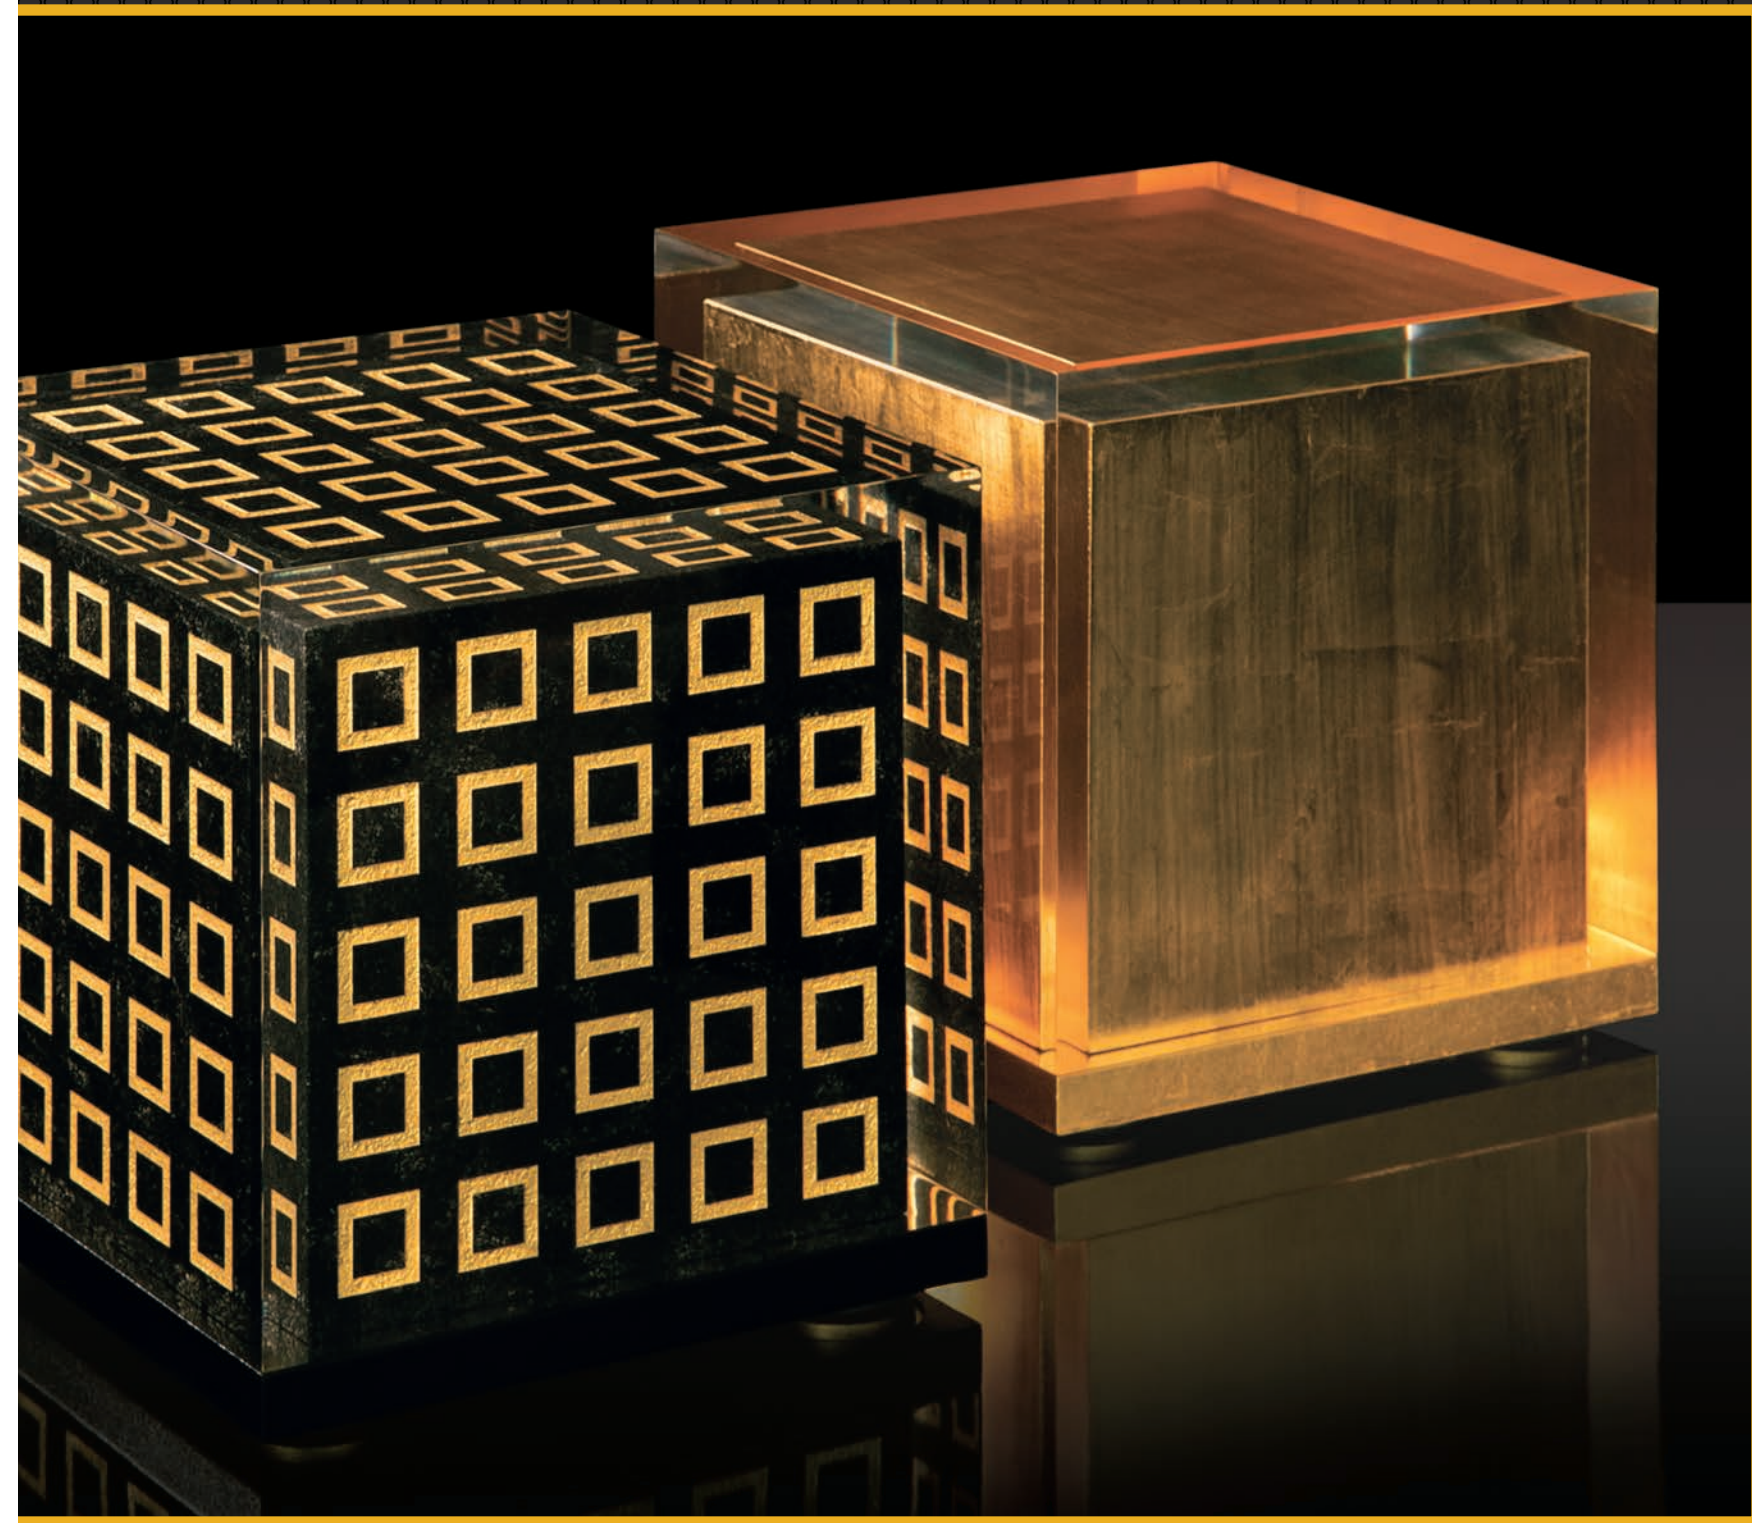

Morfeo, the new, revolutionary series of funeral urns
designed and manufactured entirely in Italy,
with enhanced craftsmanship and technology.

Timeless design, in the most simple shape
but full of details and with a unique presence.

Limited production, followed step by step
by experienced artisans and technicians,
to always provide a unique result.

Millenia is fully customizable
in an infinite series of combinations
of materials and finishes.

Craftsmanship at its best.
State-of-the-art workmanship and the experience of Italian craftsmen in a product with a modern, elegant and sophisticated design.

1 CNC

: The cnc machines mill with precision to deliver always a great result and perfect parts. We use them for metals, corian and even stones.

2 MICROBLASTING

: Millions of micro steel balls are shot on the aluminum parts to create a smooth and rich feeling to the touch.

It can be used, with different microballs and technologies, also to decorate the granite blocks.

3 ANODIZING

: Elegant and vibrant colors are obtained through the anodizing process, that protects the metal indefinitely.

4 MARBLE

: Each marble cube is unique and created from a single full block of stone, milled for hours to generate the space inside. The cube can be decorated with a custom design.

5 WOOD

: Each wooden cube is also unique, conveying the special warm feeling of wood. Each is handmade with a real exotic veneer.

6 EPOXY RESIN

: Enhances and embellishes the cube preserved inside with multiple reflections and movements. Is a delicate process that takes special skills and a long time to make, but gives Millenia its unique and sophisticated presence.

7 LASER ENGRAVING

: Deep, extremely precise laser engraving, gives stunning decoration. This can be applied to all metal parts.

8 24K GOLD

: Handmade gold leaf or gold plated, the pure 24K gold gives that extra luxury sensation, it can be used in many parts of the urn.

9 FLOCK & UPHOLSTERY

: The inside is completely flocked in soft and elegant black velvet. Custom upholstery can also be used to create an elegant fabric lining.

10 ASH BAG

: The ash bag is handmade with the best quality material, the velvet is warm and delicate to the touch and the richly colored satin combines with the exterior colors.

11 SWAROVSKI BEADS

: The bag is closed using two bespoke beads made with clear Swarovski crystals, but they can be customized as well.

12 TRUNK

: The Custom trunk is also handmade with saffiano eco-leather, elegant metal details, and equipped with microfiber gloves to handle the urn.

Pure

COLLECTION

The purity of the noble materials,
our first Collection celebrates the beauty
of the natural elements:
elegant marbles, exotic woods and precious materials.
Wrapped in a modern and timeless geometric design,
exalted by the many reflections of the transparent epoxy resin,
Morfeo Millenia is the ultimate urn
for your home decoration.

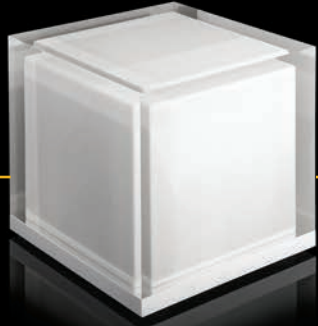

Since we are using only real natural materials,
each product will have a different texture.

Lasa
WHITE MARBLE

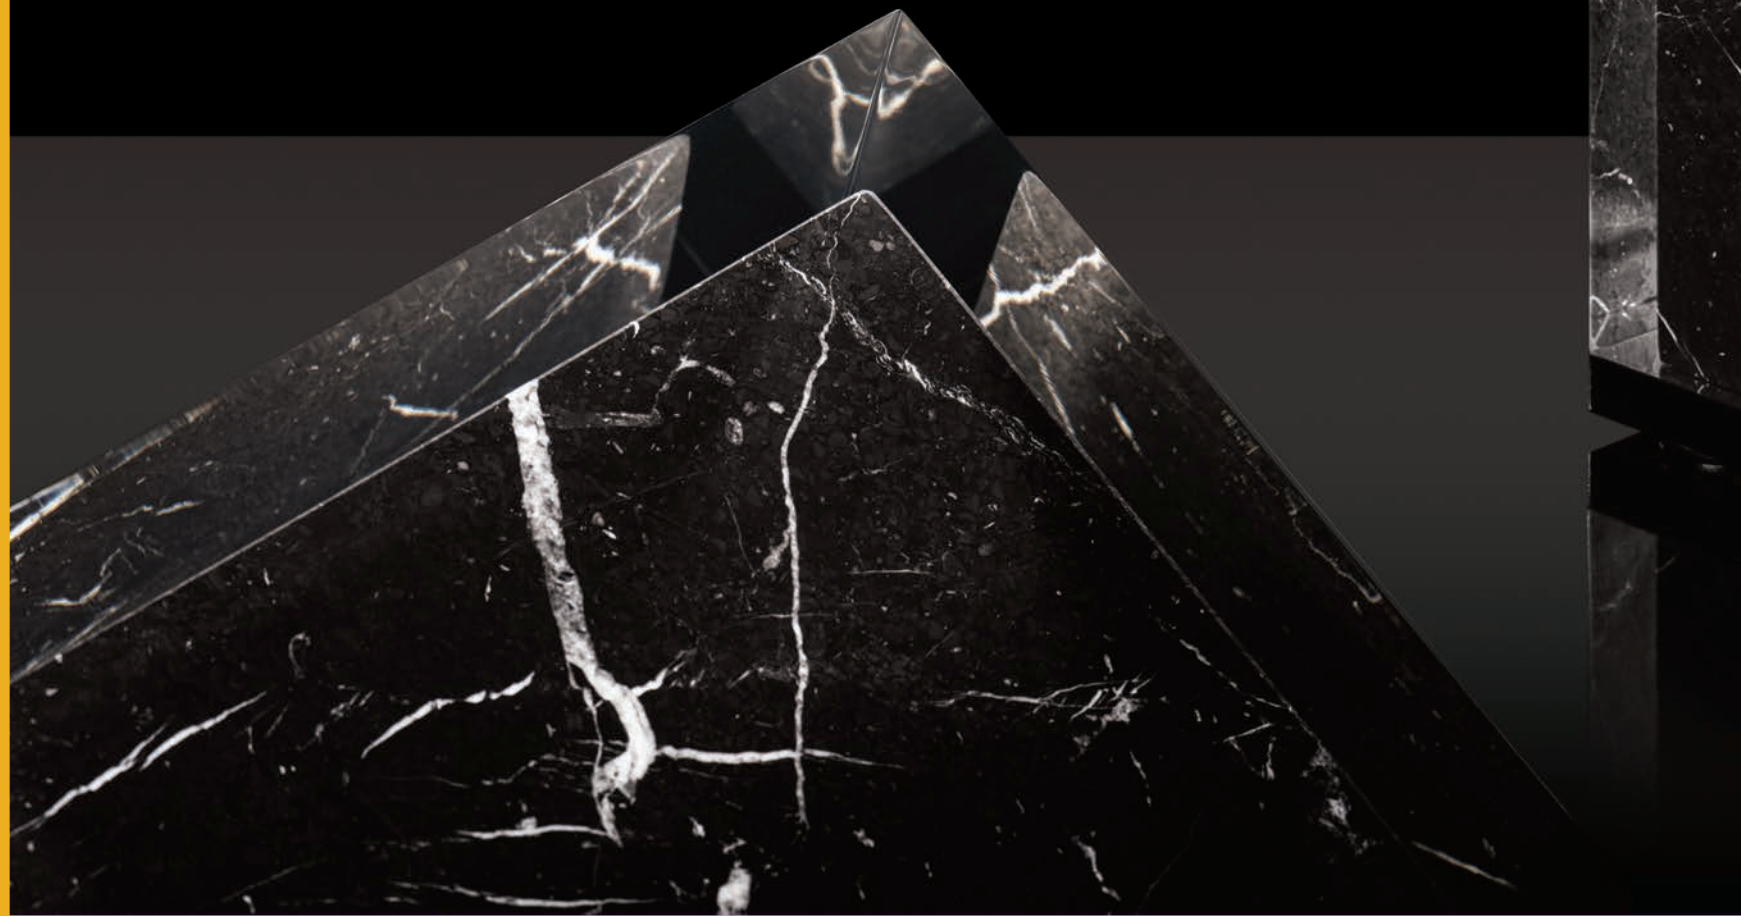

Decorative cube: White Lasa Marble.
Base & Closing: "Designer White" Corian®.
Ash Bag: Black velvet outside and white Satin inside
with Swarovski closing beads.

White, the most complete and pure colour,
it represents innocence, calm and purity.

We have chosen the whitest marble on the planet,
the White Lasa from Italy,
paired with a white Corian base and closing.

Black is mysterious and protective.

We chose a richly dark black marble with nice white veins,
the Black Marquina from Spain.
This is paired with an elegant black aluminum base.

Marquina

BLACK MARBLE

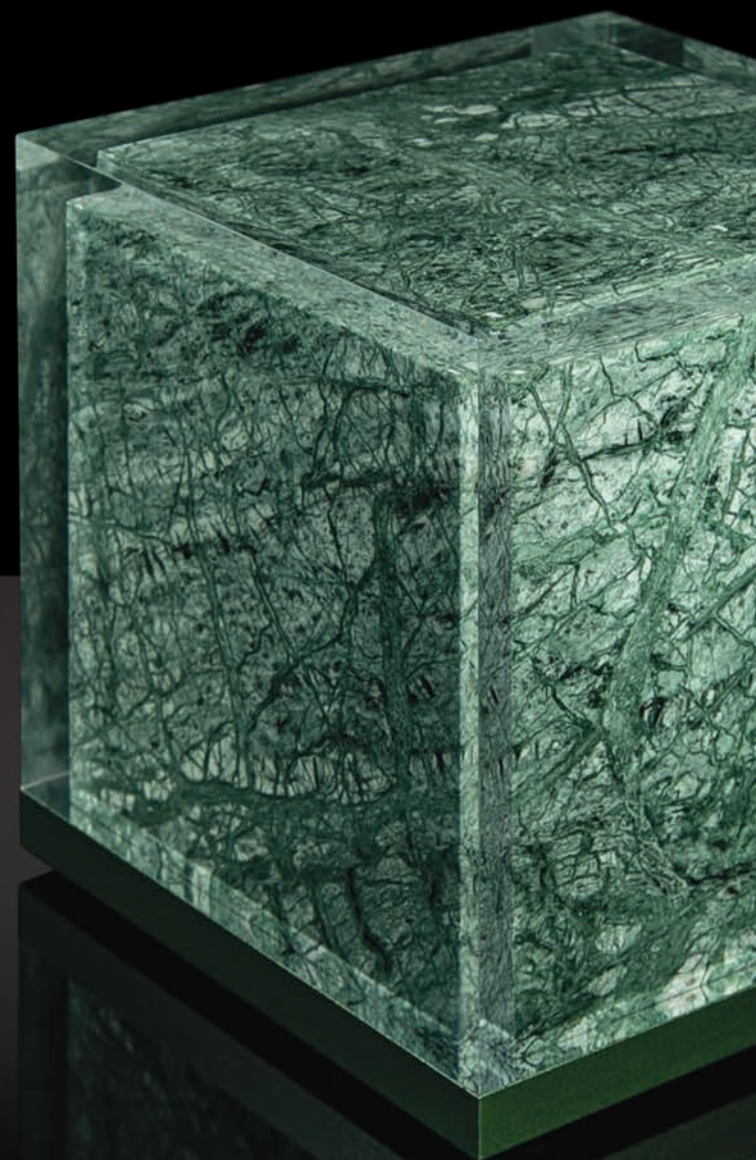

Decorative cube: Black Marquina Marble with white veins.

Base & Closing: Microblast and anodized aluminum.

Ash bag: Black velvet outside and black Satin inside with Swarovski closing beads.

Guatemala

GREEN MARBLE

Decorative cube: Green Guatemala marble.
Base & Closing: Microblast and anodized dark green aluminum.
Ash Bag: Black velvet outside and dark green satin inside with Swarovski closing beads.

The color green conveys balance and harmony,
creating an equilibrium between the head and the heart.

We chose the Guatemala green marble from India,
with its dark green veins on a lighter green base.
Incredibly detailed and elegant, that is matched with
a dark anodized forest green base and coloring.

The color brown is a serious,
down-to-earth color signifying stability,
structure and support.

Rosewood symbolizes kindness and a good heart.

The classic and warm feeling
of the Palisander wood from Brasil
with its lighter and darker veins
and a light brown anodized base.

Palisander

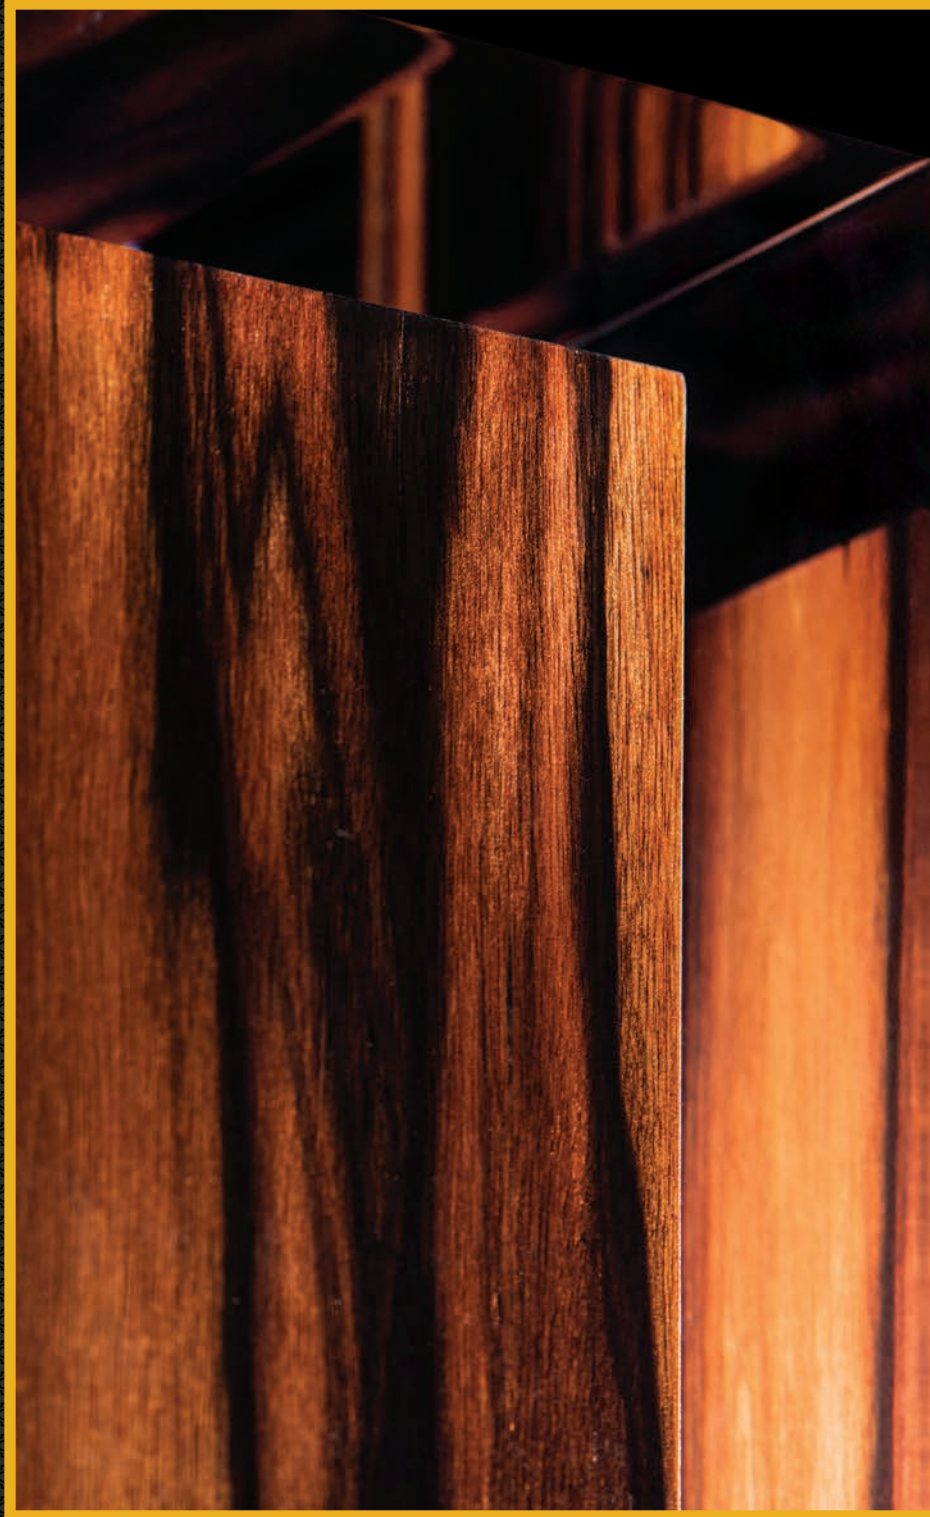

CLASSIC WOOD

Decorative cube: Palissander wood.

Base & Closing: Microblast and brown anodized aluminum.

Ash Bag: Black Velvet outside and Light brown Satin inside with Swarovski closing beads.

Beauty, wisdom, eternal life, these are a few symbolic meaning of the trees.

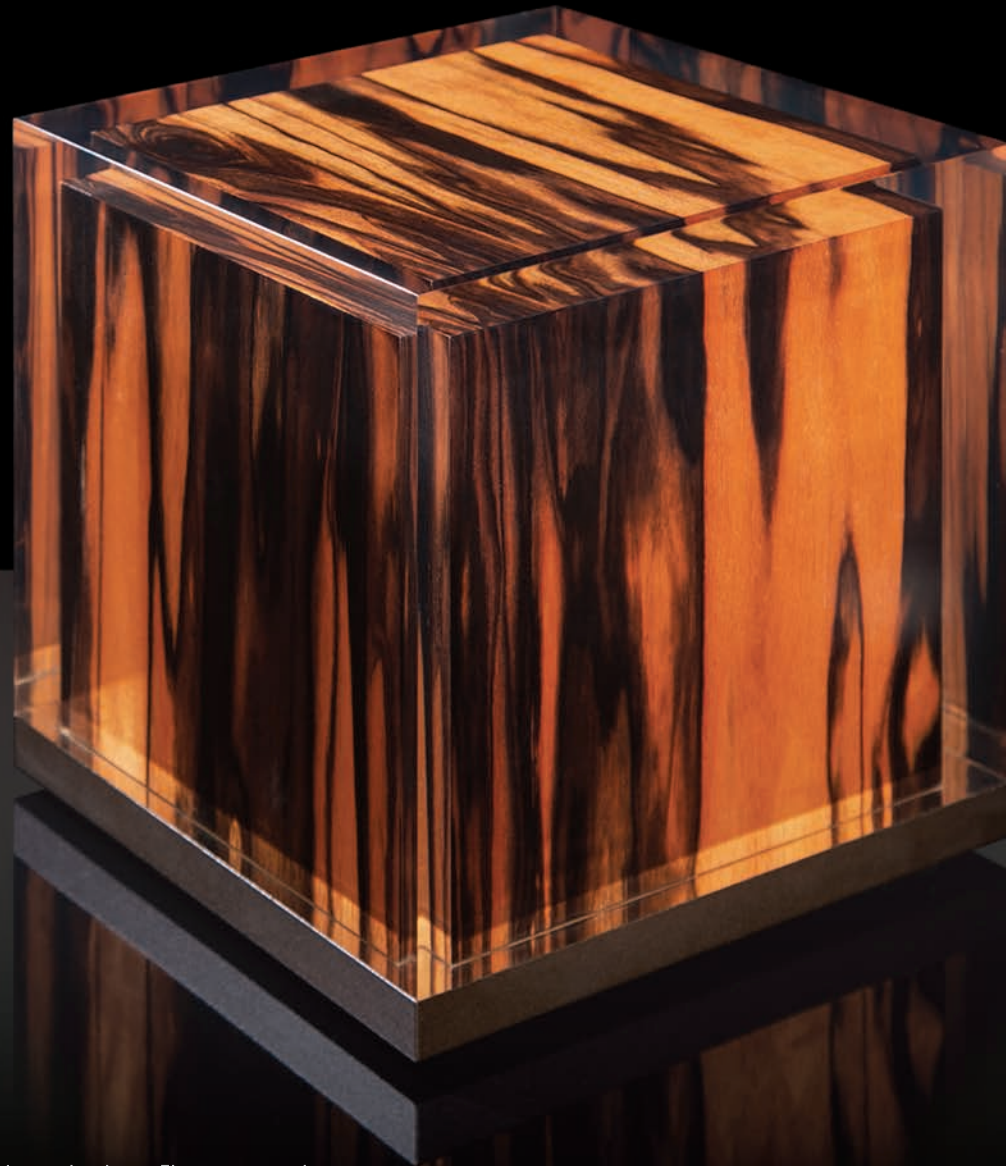

Ebony is a symbol of power, balance and protection.

The modern twist of black and white Ebony an exotic veneer from Africa, paired with a dark brown anodized base and closing.

Ebony

BLACK & WHITE WOOD

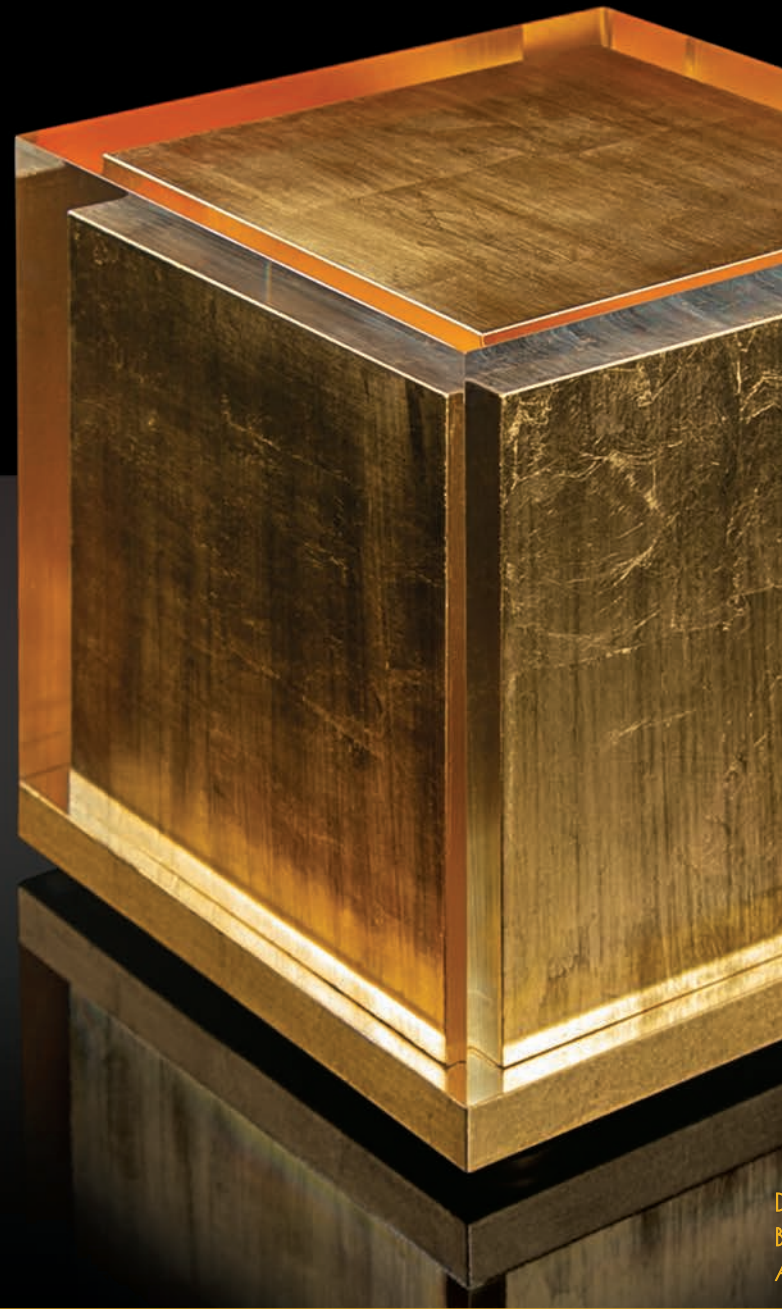

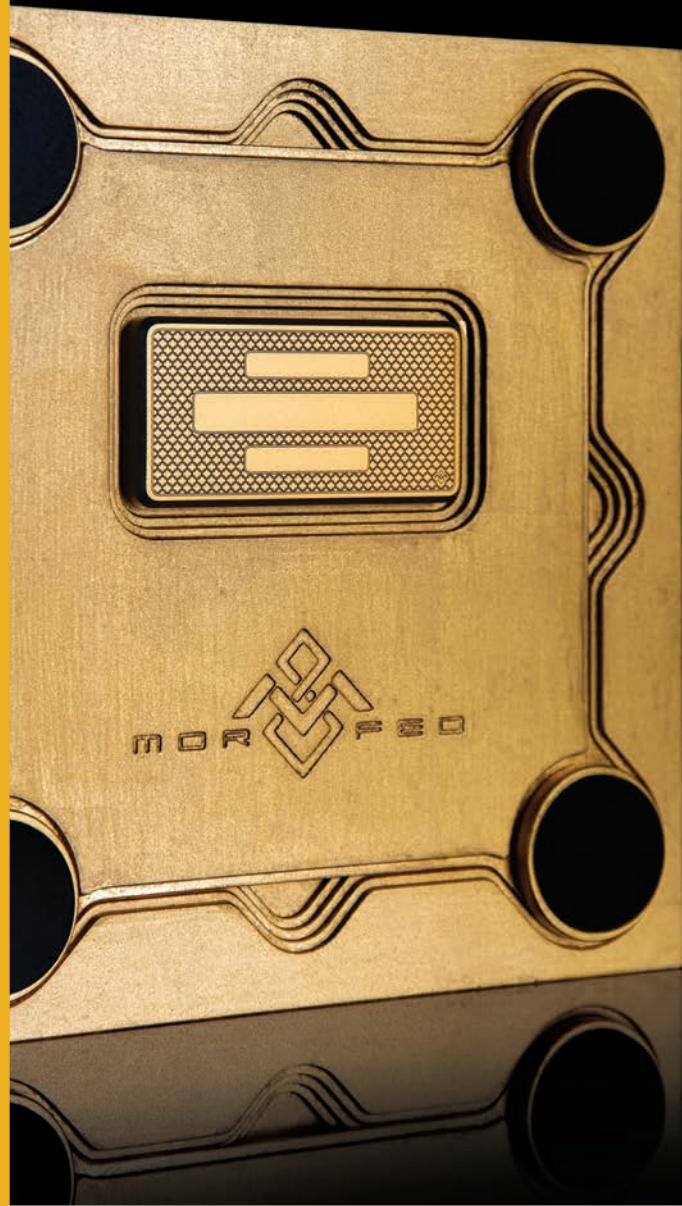

Decorative cube: Black and white Ebony wood.

Base & Closing: Microblast and dark brown anodized aluminum.

Ash Bag: Black velvet outside and dark brown satin inside with Swarovski closing beads.

Gold
24K LEAF

Gold is the color of success, achievement and triumph.
Gold is a symbol of immutability, eternity and perfection.

The most noble of the metals, gold is elegant, luxurious
and adds richness and warmth
to everything with which it is associated.

Our Gold Millenia Urn
is entirely covered in 24 carat gold leaf,
to give a more material feeling.

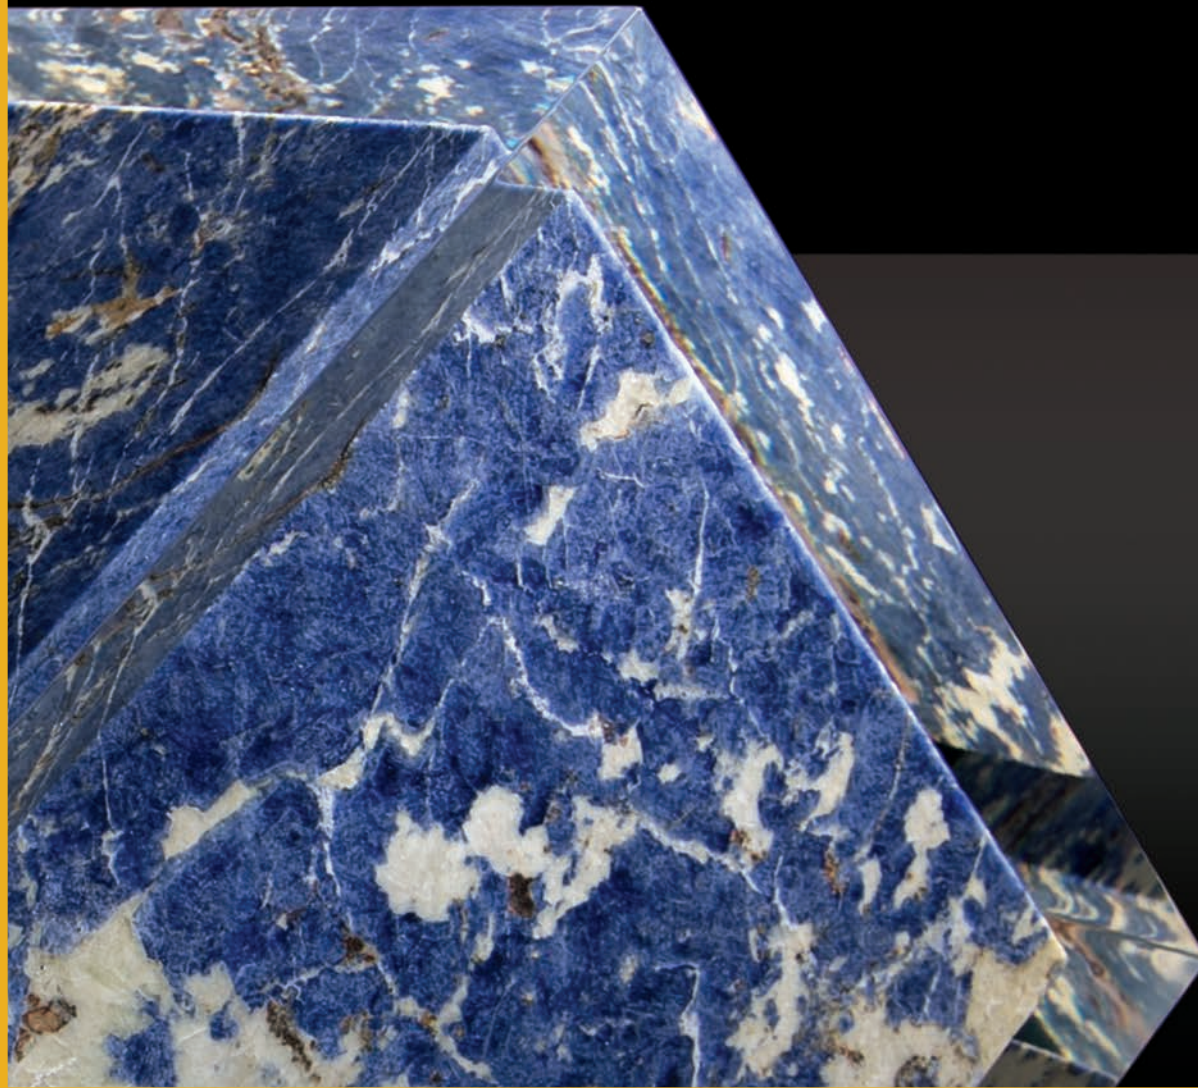

Decorative cube: 24K gold leaf.

Base & Closing: Anodized aluminum covered with 24K gold leaf.

Ash Bag: Black velvet outside and gold satin inside with Swarovski closing beads.

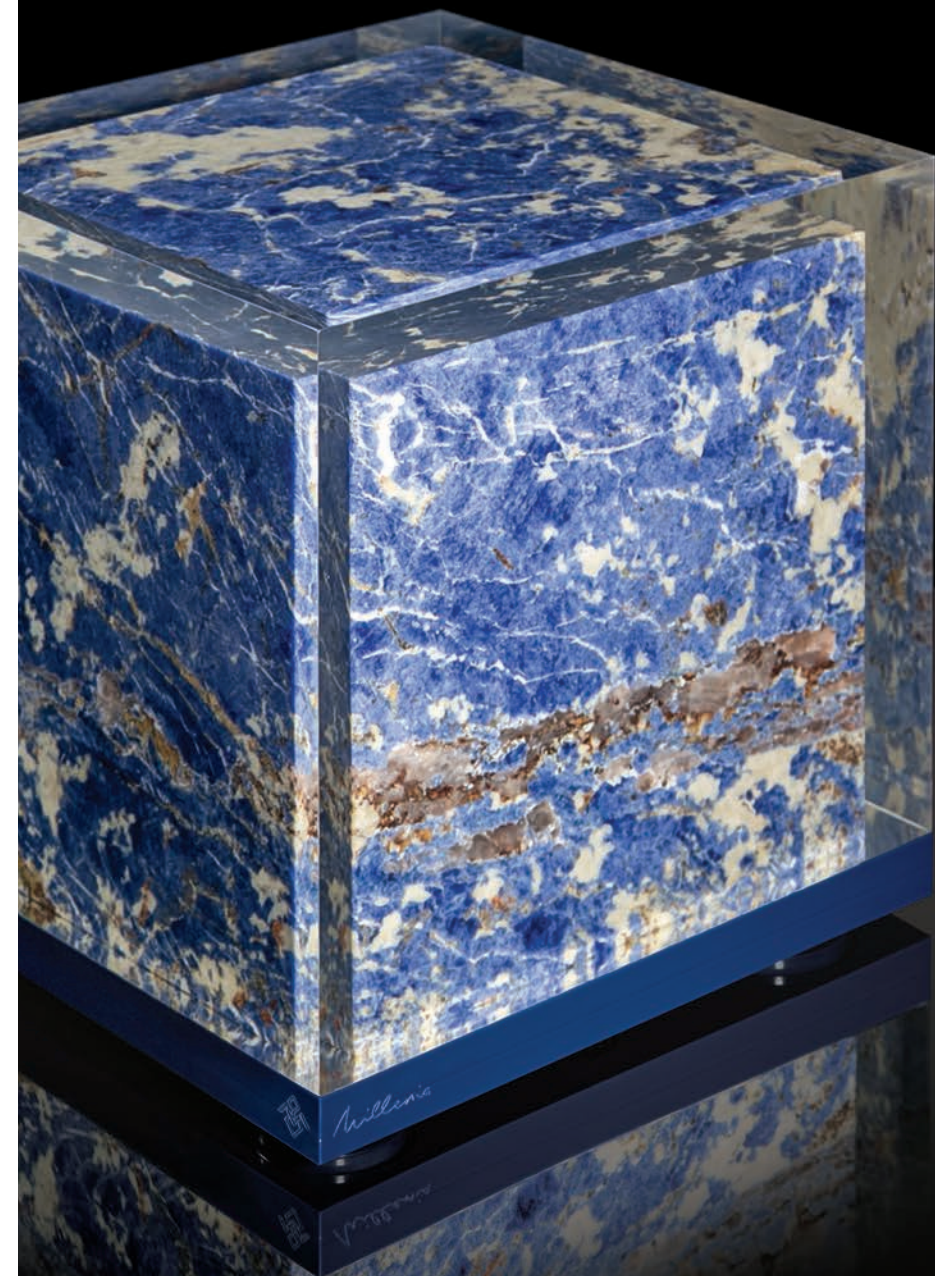

Blue, the color of trust and responsibility,
seeks peace and tranquility above everything else.

Blue Sodalite from Brazil is an incredibly beautiful stone,
with its rich blue color and white and brown details
that we match with a dark blue Corian base and closing.

Sodalite

BLUE GEMSTONE

Decorative cube: Blue Sodalite gemstone.
Base & Closing: Polished & matte "Laguna Blue" Corian.
Ash Bag: Black velvet outside and blue satin inside with Swarovski closing beads.

We create bespoke and unique pieces.

It is possible to make a custom urn according to the client ideas.
This can be a granite block decorated with 24k gold,
as well as custom wood projects, and much more.

All parts are customizable with different materials, technologies,
colors and finishes.

Decorative Cube: Total black granite with 24K gold leaf decorations.
Base & Closing: Anodized aluminum with 24K gold leaf details.
Name/Dates Plate: Custom design and finishing.

Bespoke

YOUR OWN MILLENIA

All parts are customizable with different materials, technologies, colors and finishes.

Transparent for the Pure collection, the resin can also be transparently colored and decorated with glitters or small objects.

It can be a block of stone, simple or decorated, a wood work, a metal cube or 3D printed. There is a variety of materials and technologies available.

Aluminum, Corian or other materials can be used for these parts. Shiny, matte, anodized, gold plated, imagination is the limit.

It can be customized in design, materials and finishes, to match the decorative cube. It can be anodized, also in multiple colors or gold plated.

From the choice of the material to the customization of the Swarovski beads for the closing.

Also the packaging, that comes standard in Eco-leather Saffiano with chromed details, can be personalized with different materials.
